

# DR. PRICE'S Cream Baking Powder

The difference of cost between a good and a poor baking powder would not amount for a family's supply to one dollar a year. The poor powder would cause doctors' bills many times this.

Dr. Price's Cream Baking Powder is the most economical in the end, because it goes further in leavening and insures perfect, wholesome food.

Used always in making the biscuit and cake it saves both health and money. Made from pure, grape cream of tartar, most healthful of fruit acids.

NOTE.—You cannot, if you value good health, afford to use cheap, low-grade baking powders. They are mostly, in spite of the pure food laws, made from alum, which endangers the health. All physicians will tell you that such powders in food are injurious.

## IN KENTUCKY.

JUDGE J. H. MULLIGAN.

The moonlight is the softest  
In Kentucky;  
Summer days come ofttest,  
In Kentucky;  
Friendship is the strongest,  
Love's fires glow the longest;  
Yet, a wrong is always wrongest,  
In Kentucky.  
The sunshine's ever brightest  
In Kentucky;  
The breezes whisper lightest  
In Kentucky;  
Plain girls are the fewest,  
Maiden's eyes are the bluest,  
Their little hearts are trueest,  
In Kentucky.  
Life's burdens bear the lightest  
In Kentucky;  
The home-fires burn the brightest  
In Kentucky;  
While the players are the keenest,  
Cards come out the meanest,  
The pocket empties cleanest,  
In Kentucky.  
Orators are the grandest  
In Kentucky;  
Officials are the blandest  
In Kentucky;  
Boys are all the fiercest,  
Danger ever niggest,  
Taxes are the highest  
In Kentucky.  
The bluegrass waves the bluest  
In Kentucky.  
Yet, blue-bloods are the fewest(?)  
In Kentucky;  
Moonshine is the clearest—  
By no means of the dearest—  
And yet it acts the queerest,  
In Kentucky.  
The dove's notes are the saddest  
In Kentucky;  
The streams dance on the gladdest  
In Kentucky;  
Hip pockets are the thickest,  
Pistol hands the slickest,  
Cylinders turn quickest  
In Kentucky.  
Song birds are the sweetest  
In Kentucky.  
Thoroughbreds the fleetest  
In Kentucky.  
The mountains tower proudest,  
Thunder peals the loudest,  
The Landscape is the grandest—  
And politics—the damndest,  
In Kentucky.

## MANY RELIABLE WITNESSES

Prove That Old Cases of Chronic Catarrh can be Cured.

A Medicine That Will Cure Cases of Catarrh of Long Standing Deserves a Very High Place in the Annals of Medical Discovery.

Such a Medicine is Peruna.

THOUSANDS of testimonials are pouring in every day of old cases of chronic catarrh that have resisted all treatment for years, being promptly and permanently cured by Peruna.

These reports do not all come from obscure places, signed by obscure people. A large proportion of these letters are written by men and women prominent in business and professional circles and many of them well known from ocean to ocean.

Colonel John Franklin Waters occupies a prominent position among the leading trial lawyers of Chicago. He has probably obtained more verdicts against corporations in suits for personal injuries than any man of his age in the United States, and during his practice of over fifteen years he has not lost a single case in the Supreme Courts of Illinois and Missouri. He is a hard worker and has the energy of four men.

For a number of years he had been afflicted with chronic catarrh and having recently been thoroughly cured of his old affection, an interview was obtained with him by one of our reporters in which he gave the following statement to the public:

CHICAGO, ILL., Aug. 6, 1900.  
The Peruna Medicine Co., Columbus, O.:

Gentlemen—"It gives me great pleasure to testify to the merits of such a worthy remedy for catarrh as your Peruna. I had suffered for a number of years from this very disagreeable disease and had tried many so-called remedies, but until I used Peruna none had the desired effect. I feel that I am perfectly cured and can cheerfully recommend Peruna to any one suffering from catarrh."

JOHN F. WATERS,  
120 E. Randolph St., Chicago, Ill.

Another case equally well-known in Chicago, is reported through a letter from a veteran Railroad man.

COLONEL JOHN FRANKLIN WATERS, OF CHICAGO.

Captain John H. Lyons, of Chicago, passenger agent for various railroad companies for the past twenty-four years, connected with the Postoffice Department for six years, the Police Department for six years, and at present connected with the Grand Trunk railroad, had a similar case. He is a

veteran soldier and a prominent member of G. A. R. Camp No. 102. Captain John H. Lyons, 1612 Prairie Ave., Chicago, Ill., writes:

"For twenty years I suffered with chronic catarrh but thanks to Peruna I am now entirely cured. It affords me much pleasure to make a statement in behalf of your meritorious remedy, Peruna. I have used same for catarrh and have found it to be all you claim for it. I had suffered for twenty years. I cheerfully recommend Peruna to anyone suffering from catarrh, as I believe that, as in my case, it will prove a sure cure."—Captain John H. Lyons.
